KIT Institute Innovation and Startup Policy – 2021 (KIT-IISP-2021)
National Innovation and Startup Policy (NISP) Committee 2021-2022

30.09.2021

The National Innovation and Startup Policy 2020 for students and faculty members for Higher Education Institutions (HEIs) as a guiding framework will enable the institutes to actively engage students, faculty members with support of alumni, industry delegates and startup members in innovation and entrepreneurship related activities. It is happy to be a part of NISP framework which will facilitate Ministry of Human Resource Development (MHRD) in bringing uniformity across HEIs in terms of Intellectual Property Ownership management, technology licensing and institutional startup policy, thus enabling creation of a robust innovation and startup ecosystem. In this regard, the activities of Institute Innovation Cell (IIC) will be focused and aligned with National Innovation and Startup Policy (NISP). The committee is formalized with the following members to execute, amend and monitor the NISP 2021. The committee members have agreed to support and share their proficiency in successful implementation of NISP 2021.

Dr. P. Manimaran	Principal – NISP Chairman of the Institution
