- Dr. P. Manimaran, Principal welcomed the committee members for the first National Innovation and Startup Policy (NISP) meeting and addressed the guidelines and expected outcomes of NISP 2020.
- Dr. D. Bhanu, Vice Principal highlighted the features of NISP 2020 and shared her expertise for the implementation of NISP 2020 in the institution.
- It was informed that Dr. S. Gopinath, HoD/ECE has been nominated as the NISP Coordinator of the institution.
- It was asked to introduce other committee members and welcomed by Dr. S. Gopinath and requested them to share their knowledge for the successful implementation of NISP.

- The committee members reviewed the Orientation program and training session on the adoption of NISP at HEI level held on July 27, 2021.
- During interactive session, the startup members Mr. V. P. Vignesh suggested that students should be involved to initiate startup through training programs from second year onwards.
- Alumni experts Mr. S. Niresh and Mr. S. Sugavaneshwar suggested that innovation labs should be setup and utilized for product development.
- Industry expert Mr. R. Y. Sudhir suggested that final year students projects should be carried out with Industry tie-up and it should be useful for society needs which will motivate our students to become successful entrepreneurs.
- Mr. B. Madusudhanan will plan the sessions for the students by established incubators and startup founders.
- It was decided that Dr. S. Gopinath would work in developing the institution policy for innovation and startup as per the guidelines offered by NISP.
- Inputs were given for the preparation of KIT Institute Innovation and Startup Policy (KIT-IISP-2021) and Principal instructed NISP coordinator to identify the emerging areas for innovations.
- Finally the Principal Dr. P. Manimaran thanked all committee members for their contribution and the meeting came to end by 5. 45 PM.
