Teaching Learning Feedback from Student Detail

Frequency	Twice in a Semester
First Feedback	After CIA I (MID Semester)
Second Feedback	After CIA III (END Semester)
Mode	Online: http://compass.karpagamtech.ac.in
Questions	10
Type	Objective: Excellent (5), Good (4), Fair (3), Average (2) and Poor (1)
Expected Target	Good(4)
Complied	At least 80 % of students should give the Expected Target for each question

Questions
Did the teacher complete the syllabus with the uniform pace?
Does the teacher advice and motivate the students for enhanced development of skills?
Does the teacher begin and end the class in time?
Does the teacher come prepared for the class?
Does the teacher communicate clearly and effectively?
Does the teacher make the class interactive?
Does the teacher spend time to clear the doubts?
Does the teacher use various teaching aids and methods for better learning?
Does the teacher treat equally without showing partiality?
Is the teacher helpful outside the class?

PRINCIPAL 9/12/23

Suggested Actions:

Coverage	1. Review the current course plan and counselling 2. Visit to the class and counselling
Motivation	Counselling to faculty member
Punctuality	
Attitude	
Accessibility	
Subject Knowledge	1. Suggest lecture videos 2. Schedule a visit by senior subject expert faculty member
Communication	1. Suggest a visit to senior faculty class
Interactive	2. Counselling to faculty member
Pedagogy

Feedback by students(2020-2021)
Facility

- Student's feedback on facilities is important as students are the main stakeholders in the campus and they are the largest group that study and live on campus. The facilities feedback form is for students' comments and suggestions regarding classroom facilities, laboratory facilities, library facilities, hostel and dining facilities, basic and general amenities, infrastructure, internet facilities, sports and other facilities. Feedback on facilities is collected from the final year students and it is analysed in detail by the Head of the Department and it is submitted to the Principal.
- Excellent, Good, Satisfactory, Average, Poor are the options given in the feedback system for the students to give their opinion about the facilities.
- Feedback given by the students on institution and department facilities are collected and the observations are consolidated
- The recorded observations are discussed in the planning and monitoring board meeting to make necessary actions on creating the facilities.
