## 11. Admission Procedure

The institution is a self-financing institution; all the UG programmes offered are self-financed. With reference to the admission, and fee structure the AICTE regulations and guidelines of Tamil Nadu government are followed.

**Website Link: [www.tnea.ac.in](http://www.tnea.ac.in)**

### 11.1 Admission Process

Karpagam Institute of Technology follows the Tamil Nadu Engineering Admission (TNEA) process. As per the Government of Tamil Nadu norms, 65% of the admission is done directly by the Affiliating University under Merit Category and the remaining 35% is offered to institutions as Management Quota. Admission is purely based on merit cum reservation basis.

- Government Quota - Through On line admission process as prescribed by the Government of Tamil Nadu
- Management Quota – Through Consortium of Self Financing Professional, Arts & Science Colleges in Tamil Nadu.

### 11.2 Publicity

Admission notification is hosted on college Website and published in leading national/ regional daily newspapers, through stalls and banners in education fairs and through Social Medias.

### 11.3 Transparency

The University follows on line admission (Counselling) based system to admit government quota students. Thus transparency is ensured from the stage of notification till the completion of the admission process. Students are admitted as per the rules framed by the consortium of Self Financing colleges in management quota.

#### 11.4 Admission made through Management Quota UG Programs

For the Management Quota seats, the seats are allotted to the students as per the norms of Government of Tamil Nadu and on the basis of cut off marks.

#### 11.5 Admission to UG Degree Course

A Pass in the HSC (Academic) or its equivalent with a minimum average percentage in Mathematics, Physics and Chemistry put together as given below.

Sl. No	Community	Minimum % of marks
1	General Category	45.00%

*Note: A Pass with Minimum average marks in Related Subjects, Vocational Theory and Practical's put together is required*

#### 11.6 Lateral Entry Admission

The minimum eligibility marks for admission to direct second year B.E. degree courses under Lateral entry is just pass in Diploma in relevant engineering.

Sl. No	Community	Minimum % of marks
1	General Category	55.00%
2	Backward class including Backward Class Muslim	50.00%
3	MBC & DNC	45.00%
4	SC / SCA / ST	Mere Pass in the qualifying examination

## **11.7 SC / ST / OBC / Differently Abled / Minority Community**

The community reservation is very strictly followed by the government of Tamil Nadu and the students are allotted admission through single window system. Hence the Government quota students belonging to SC/ST, OBC, Differently Abled and Minority Community find a place in the admission without even a single case of denial.

## **11.8 Women**

Since the Government Quota follows a single window admission system based on cut off marks in the qualifying exams, there is no special preference given to women.

KIT has seen a trend of girl students joining in good numbers with the current ratio of girls to boys being above 40% : 60%

## **11.9 Economically Weaker Sections**

In order to make engineering education affordable to the economically weaker sections, KIT management offers merit scholarship for students from both Government and Management quotas.

### **11.9 Merit Scholarship for Government Quota**

- Cut off marks of above 190 – 100% Tuition fee waiver and 50% Hostel Fee waiver.
- Cut off marks of between 185 – 189.75- 50% Tuition fee waiver and 50% Hostel Fee waiver.
- Cut off marks of between 180 – 184.75- 50% Tuition fee waiver.

### **11.10 Merit Scholarship for Management Quota**

Based on the scholarship test and the economic background of the student, KIT management grants scholarship.

### **11.11 Others (First Generation Graduate / Rural Students)**

The Government of Tamil Nadu bears Rs.25,000/- of the total tuition fee payable every year by the student who is the first graduate in his/her family. To give a fair chance to the students from rural areas, Tamil Nadu Government has based the admission only on the marks scored in the qualifying examination.

The Government of Tamil Nadu bears full tuition and hostel fees for students who studied in government schools under the 7.5% reservation category.

The Media Club of Karpagam Institute of Technology is responsible for handling and nurturing the image of brand KIT in the eyes of all the stakeholders and to debate the students in this field and finding out one's self creation in a certain domain thereby extending their learning. It works in the direction of amplifying the brand equity of KIT and reverberates the successful growth of the institute and also this develops knowledge and their internal power and imagination by showcasing the photos with what elements to exclude, what angle to frame the photo, to express an impression of an objects in a subjective form.

The Media Club acts as a bridge between KIT fraternity and the external world encompassing the neighboring communities of KIT, the media and the general public. The team is involved in developing and maintaining a positive reputation with the public through various forms of communication- be it the traditional

media or the new age digital media. Media Club of KIT aims to increase the visibility of KIT on different digital media platforms, like Face book, Instagram, LinkedIn, YouTube, Twitter and other allied social media and posting platforms for effective positioning and enhancing the brand image of KIT.

Team Media Club also holds the responsibility for adding relevant content like banners for achievements in Competitions and updating the KIT website with the latest happenings on the campus. Being the media interface, the team collaborates with all the other clubs, and covers their events and activities. ### **15.5.3 Soft Skill Development Facilities**

- The training and placement cell plays a main role in providing necessary rigorous training to all students to enable them to acquire the basic skills for recruitment. Various training programmes are organized to train the students in the areas of aptitude, quantitative reasoning, logical reasoning, and verbal through the experienced and trained members of the faculty.
- There is an exclusive Training and placement Cell is there with all necessary facilities like Seminar hall, Interview halls, Group Discussion Halls, Interview Panels to conduct the placement activity in a smooth manner.
- There is a separate computer lab is there for placement cell alone. An auditorium with 400 seating capacity for conducting pre-placement talks and other activities.
- Facility is created to take test through online mode.
